The University

Located on two downtown campuses in Richmond, VCU enrolls more than 31,000 students in 216 certificate and degree programs in the arts, sciences and humanities. Sixty-nine of the programs are unique in Virginia, and 28 graduate and professional programs are ranked among the best in the nation in U.S. News & World Report's "America's Best Graduate Schools," including the No. 1 ranked sculpture and nurse anesthesia programs. As one of the nation's top research universities, VCU attracts more than $255 million a year in sponsored research funding.

VCU Medical Center is one of the nation's leading and Central Virginia's only academic medical center. It includes the 865-bed MCV Hospitals and outpatient clinics, MCV Physicians - a practice of more than 600-physician-faculty, and the health sciences schools of VCU.

VCU is an urban leader, forging ties with business, industry and government in such innovative projects as the collocation of the schools of Business and Engineering, the da Vinci Center for Innovation in Product Design and Development and the Virginia BioTechnology Research Park.

The university and its medical center are the largest-single employer in the Richmond area, with more than 18,650 employees, including almost 2,000 full-time instructional faculty — many of them nationally and internationally recognized in their fields. VCU's direct economic impact to Virginia is estimated to be $3.6 billion in annual spending that supports 43,705 jobs.

VCU's 16 varsity sports compete at the NCAA Division I level as members of the Colonial Athletic Association. In recent years, VCU has participated in NCAA Tournaments in men's and women's basketball, baseball, golf, men's soccer and men's and women's tennis, including the VCU men's basketball's run to the Final Four
